DISCLOSURES APPLICABLE TO ATM AND VISA® DEBIT/CHECK CARD SERVICES

SERVICES AVAILABLE: You may use your Card at ATMs to access your Primary Savings and Checking Account for cash withdrawals, transfers between savings and checking), balance inquiries and deposits at PARTNERS FEDERAL CREDIT UNION ATMs. Future enhancements including but not limited to additional transactions and access to your other accounts may be added at any time and without notice unless required by law. You can also use the Card for these services including to make deposits at many Co-op Network ATMs. You may use the Card to make POS for goods or services to others or to obtain cash from others such as merchants. If your Card has a VISA® logo you may use it at merchants who honor the Card as a VISA® card including to order goods or services by mail or telephone without using your PIN or make purchases with or without using your PIN.

You may also use your Card at ATMs in the Star Systems, Inc. (also known as STARSM Network), CU 24, Pulse, the Co-op Network, Cirrus, VISA, and Plus System®. When using the Card at an ATM, all Electronic Fund Transfer services may not be available at all designated ATMs. The Card is the property of the Credit Union and you agree to surrender the Card to the Credit Union promptly upon demand or retrieval by an ATM.

TRANSACTION AUTHORIZATION: By using your VISA Debit/Check Card in conjunction with your PIN at an ATM, you authorize the Credit Union to provide account balance information or to make withdrawals and transfers to and from your accounts with the Credit Union, in accordance with the instructions you give the ATM.

If you authorize us to issue a VISA Debit/Check Card or PIN (or any other Access Device) to anyone else, or if you permit any person to use your Card, you authorize that person to withdraw funds from any account that can be accessed by the VISA Debit/Check Card, regardless of whether that individual is authorized to withdraw funds from the account by means other than the use of the VISA® Debit/Check Card.

Use of the VISA® Debit/Check Card, the account number on the VISA® Debit/Check Card, the PIN or a combination of these for payments, purchases or to obtain cash from merchants, financial institutions, ATMs or others who honor the VISA® Card is an order by you for the withdrawal of the amount of the transaction from your account and is authorization to the Credit Union to provide account balance information, make the requested transfer or accept deposits to your account. Each transaction with the VISA® Debit/Check Card will be charged to your account on the date the transaction is posted to your account.

LIMITATIONS ON TRANSACTIONS: Generally, you may make cash withdrawals and purchases only to the extent that you have available funds in your Checking Account. Cash withdrawal limitations are disclosed on page 3 "Limitations of Service."

MAKING ELECTRONIC FUND TRANSFERS AT ATMS: When using the Card at an ATM, you agree to follow the instructions posted, displayed or otherwise given for use of an authorized ATM.

CONFIDENTIALITY OF PIN: Your Card and your PIN will be mailed to you separately. You agree to hold your PIN in strict confidence, and you will notify the Credit Union immediately if the Card or PIN is lost or stolen. Your PIN should be memorized. After memorizing it, you should destroy it. As a precaution you should not write your PIN on your Card or any material carried near or with the Card. Never let anyone else use your Card. Never tell anyone your PIN. Never let anyone watch you use your Card or PIN at any ATM.

RECEIPTS: You may receive a receipt at the time you make any transfer to or from your account using an ATM or Point-of-Sale terminal. Any new balance shown on the receipt:

1. Is your balance after the transaction has been completed;
2. May not include deposits still subject to verification or collection (funds placed on hold) by us;
3. May differ from your records because of deposits in progress, outstanding checks, or other withdrawals, payments or charges.

You may receive a receipt from the merchant or financial institution at the time you make a purchase or obtain cash. You should retain this receipt to compare with your statement from us.

At some terminals you will be given a choice to receive a receipt or not to receive a receipt. Transactions of \$15 or less including those conducted at ATMs, Point-of-Sale terminals, telephone bill-payer systems, automated clearinghouse, remote banking services and other electronic transactions are exempt from the electronic terminal receipt requirement. Check card transactions for signature or PIN based authorizations of \$25 or less may not provide a receipt. You will receive a statement monthly for the account(s) that you have accessed using your ATM Card or VISA Debit/Check Card. The statement will show the effective date that you initiated the transaction, the type of transaction, and the amount of the transaction.

ADDITIONAL DISCLOSURES APPLICABLE TO PARTNERS CHECK CARD (VISA®) WHEN USED AS A POS ACCESS DEVICE

Your Card may be used by presenting your Card or providing your Card number to merchants or retailers who honor the Card as a VISA® for the purchase of goods or services; or to debit your Checking Account with the Credit Union through Point-of-Sale transactions for purchases and cash back (where permitted by the merchant) at certain merchant locations which honor the Card as a VISA®.

By using your Card with your PIN or sometimes just your Card or your Card number for the above transactions, you authorize us to make withdrawals from your Checking Account to pay for goods and services you purchase or cash advances. When you do so, you use your Card as a debit card and your Card works much like a check you write on your account. Your Card is not a credit card, which means you may not defer payments of your VISA® transactions. When you use your Card, you must follow the procedures established by the merchant or financial institution. You may be asked to sign a sales slip, withdrawal slip or other document or just provide your Card number. Some merchants impose a fee for a VISA® transaction. We are not liable if a merchant or financial institution does not accept your Card or Card number. We may debit or place a hold on your Checking Account for a transaction either on the day it is presented to us for payment, by electronic or other means, or on the day we receive notice of the transaction, whichever is earlier. If a merchant or other financial institution requests an authorization for a transaction you want to conduct, we may place a hold on your account. If the transaction posts to your account before the hold expires, the balance available to you in the account may be reduced by the amount of the hold and the amount of the transaction.

You may not stop payment on a VISA® transaction. If you have a dispute with a merchant, you may have to settle directly with the merchant. If a merchant misrepresents the quality, price, or warranty of goods or services you pay for using your Card, you indemnify us for all damages and liability which results from the misrepresentation. If you have a problem with the quality of property or services that you have purchased with your Card, you must settle it directly with the merchant.

If you breach or fail to fulfill any of the terms of this agreement, you also indemnify us for all resulting damages and liability.

You may make cash advances and purchases to the extent that you have available funds in your Checking Account plus, as applicable by law, available funds in your designated overdraft service (defined as your savings designated to overdraft; the line of credit loan). For security reasons, there may be limits on the number of those transactions that may be authorized. You can receive a receipt from the merchant or financial institution at the time you make a purchase or obtain a cash advance or at the time you make a transfer from your Checking Account plus available funds in your designated overdraft sources. You should retain this receipt to compare with your statement from us.

STATEMENTS: You will receive a monthly statement (unless there are no transactions in a particular month) for the account(s) which you have accessed using the ATM or VISA® Debit/Credit Card which will show the effective date that you initiated the transaction, the type of transaction and the amount of the transaction occurring in that statement. You will receive a statement at least quarterly.

ILLEGAL TRANSACTIONS: You are prohibited from using your Card, Card number or PIN for illegal transactions. You agree to indemnify the Credit Union for your use of the Card, Card number or PIN for illegal transactions. Such illegal transactions include, but are not limited to, any quasi-cash or Internet gambling, any electronic commerce transaction conducted over an open network or any betting or wagering. However, in the event a charge resulting from an illegal transaction is approved and processed, you will still be responsible for such charge.

LIMITATIONS OF SERVICE: You and all other joint account or Cardholders, jointly and severally, agree to use any Access Device(s) in a proper and authorized manner and only for those purposes designated and applicable, and/or only as authorized.

You may use your Card to obtain up to \$500.00 per designated account per day from authorized ATM terminals. For the purposes of this Disclosure, one "banking day" shall constitute one 24 hour period.

Your daily limit may be less than \$500.00 per designated account if you are a New Member or open a Partners Jamz account (Jamz Checking). Refer to the Truth in Savings Agreement for complete New Member and Partners Jamz Account (Jamz Checking) disclosures. Various financial institutions which participate in the various networks to which the Credit Union is a member may have authorized withdrawal limits different than \$500.00 at their respective ATM's. In the event that a specific ATM is limited to withdrawals of less than \$500.00, you will not be able to withdraw more than the cash limit at that particular ATM. Should the withdrawal limit of a particular ATM be greater than \$500.00, you will still be limited to the \$500.00 maximum withdrawal limit of available funds per account per day as established by the Credit Union. Available funds in your account(s) as may be indicated at the time of a balance inquiry may not reflect (if applicable) any available authorized overdraft protection options on the account(s).

You MAY NOT MAKE DEPOSITS to your Account(s) at ATM terminals not authorized by the Credit Union. The Credit Union will NOT BE RESPONSIBLE for any direct or incurred losses or the failure to credit any attempted deposits into any account made at an ATM terminal not authorized by the Credit Union to accept deposits.

You understand and agree that the Credit Union accepts funds deposited at an ATM subject to verification and collection and receipts issued by an ATM are binding only after verification and collection. The Credit Union reserves the right to place a "hold" on funds deposited to your account(s) for a reasonable period of time. You may not withdraw funds in excess of the available funds from a deposit balance subject to such hold; however, the Credit Union will provisionally credit your account at the time of posting subject to the hold. A copy of the Credit Union's "Funds Availability Policy" is available at any of our offices upon request.

You may NOT be able to obtain all EFT services at all participating ATMs. You may request a balance inquiry using your card. A transaction charge may be imposed by a participating network institution or the Credit Union (see Schedule of Fees) if such inquiries are initiated through a network terminal.

ACCESS TO ACCOUNTS: Any person who receives a duplicate Card (as requested by you), or who is permitted to use your Card will be able to withdraw ALL MONEY in your accounts. We refer to such person as an authorized user and you agree that an authorized user may withdraw funds from your accounts using the Card regardless of whether that individual is authorized to withdraw funds from your accounts by means other than the use of the Card.

As a precaution, you should not write your PIN on your Card or any material carried near or with the Card. Never let anyone else use your Card. Never tell anyone your PIN. Never let anyone watch you use your Card or PIN at any ATM. As a security measure, if the wrong PIN is entered three (3) times in a 24 hour period, the ATM will retain your Card on the 4th attempt.

LOST OR STOLEN CARD OR PIN: If you believe your Card or Pin has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call 800.948.6677 to report your lost or stolen Card or PIN, 24 hours per day. You may also write us at Partners Federal Credit Union, P.O. Box 10000, Lake Buena Vista, FL 32830.

RENEWAL OF CARD: For your protection, your Card is issued with an expiration date. If your account is active and in good standing, upon expiration of your Card, we may issue you a renewal Card. We may not issue you a renewal Card if your account is not in good standing.

INFORMATION UPDATING SERVICE AND AUTHORIZATIONS

If you have authorized a merchant to bill charges to your Card on a recurring basis, it is your responsibility to notify the merchant in the event your Card is replaced, your Account information (such as Card number or expiration date) changes, or your Account is closed. However, if your Card is replaced or your Account information changes, you authorize Us, without obligation on Our part, to provide the updated Account information to the merchant in order to permit the merchant to bill recurring charges to your Card. You authorize Us to apply such recurring charges to your Card until you notify Us that you have revoked authorization for the charges to your Card. Your Card is automatically enrolled in an information updating service. Through this service, your updated Account information (such as Card number or expiration date) may be shared with participating merchants to facilitate continued recurring charges. Updates are not guaranteed before your next payment to a merchant is due. You are responsible for making direct payment until recurring charges resume. To revoke your authorization allowing Us to provide updated Account information to a merchant, please contact Us.

SAFETY TIPS FOR USING THE ATM

The automatic teller machine provides you quick, convenient access to your money. By following these important safety tips, you can safely use the ATM whenever you need cash:

- Be aware of the surroundings, particularly at night.
- When using the ATM at night, be sure you are in a well-lighted area.
- If you notice anything suspicious, return later or select another ATM in a safer location.
- Have your transactions ready before going to the ATM. Fill out your deposit slip and place your checks or cash in an envelope and seal it before you arrive at the ATM location.
- Have your Card ready to insert into the machine before arriving at the ATM so you don't have to reach into your purse or wallet while standing in front of the ATM.
- Memorize your Personal Identification Number (PIN or password). Do not write your password on your Card or leave it in your wallet.
- If you notice anything suspicious while you are transacting business, immediately stop your transaction, put your access card away and leave.
- Consider having another person accompany you to the ATM.
- Immediately report all crimes to the ATM operator and to local law enforcement officials.
- Stand close to the ATM and away from others waiting to use the machine, so others can't see you enter your PIN and perform your transaction.

- Put your money and receipts away before leaving the ATM; count the cash later in the safety of your home.
- Keep your password a secret. It is for your protection. Someone you trust today may not be trustworthy tomorrow.
- If you suspect unauthorized use of your Card, notify your financial institution immediately.
- Keep your Card in a safe place. Protect it as you would cash or credit cards. If it is lost or stolen, notify your financial institution immediately.
- If anyone asks you to withdraw money for any reason, leave the area, at once. Notify your financial institution as soon as possible.
- Be aware of fraud or people who pose as Credit Union employees in person or on the telephone that try to get information from you. You should only discuss this information in person at the Credit Union.

ADDITIONAL DISCLOSURES APPLICABLE TO ELECTRONIC CHECK TRANSACTIONS

When presented to us for payment, a paper check converted to an Electronic Funds Transfer is processed in accordance with the provisions in this Disclosure.

DEFINITION: If you have authorized a one-time transfer of funds from your account via ACH where you have provided a paper check or check information to a merchant or other payee in person or by telephone to capture the routing, account, and serial numbers to electronically initiate the transfer (an "Electronic Check Transaction") the following applies to you.

ACCOUNT ACCESS: A paper check conversion to an Electronic Funds Transfer may be made from

your Checking Account only.

TYPES OF AVAILABLE TRANSACTIONS: You may authorize a merchant or payee to make a one-time Electronic Check Transaction from your Checking Account using information from your check to (1) pay for purchases or (2) pay bills.

You may make such a payment via ACH where you have provided a paper check to enable the merchant or other payee to capture the routing, account and serial numbers to initiate the transfer whether the check is:

1. Blank, partially, or fully completed and signed;
2. Presented to a merchant or lockbox and later converted to an Electronic Funds Transfer;
3. Retained by you, the merchant, or the merchant's financial institution;
4. Presented at POS or is mailed to a merchant and later converted to an EFT;
5. Or, you have provided the merchant or payee with the routing, account and serial numbers by telephone to make a purchase or a payment.

NOTIFICATION OF CHECK CONVERSION: Prior to converting your paper check, a merchant must notify you of this procedure. This may be done by a sign or notice displayed at the point of purchase or a statement insert or other mailing (may be included with an account statement). By presenting your paper check or check information to a merchant who has notified you of this procedure, you are granting the merchant permission to process your check electronically.

LIMITATIONS ON DOLLAR AMOUNTS OF TRANSACTIONS: You may make Electronic Check Transactions only to the extent that you have available funds in your Checking Account plus available funds in your designated overdraft sources.

DOCUMENTATION OF ELECTRONIC CHECKS: You will receive a monthly statement each month in which a check conversion to an Electronic Funds Transfer is made.

PARTNERS ONLINE BANKING ACCESS: Your paper check converted to an Electronic Funds Transfer may be viewed using the Partners Online Banking service. However, the Online Banking option to view and print a copy of your paid checks is not available (refer to the section that follows).

COPIES OF CONVERTED CHECKS: Copies of paper checks converted to Electronic Funds Transfer are available from the originator of the electronic debit (the merchant or the merchant's check conversion vendor) for a period of two years from the Settlement Date of the transaction. You may obtain a copy by contacting the originator directly. We may charge a fee for copies obtained on your behalf, we will disclose that fee on our Schedule of Fees accompanying this Disclosure. You understand that there are fees and charges for special services that you may request, that may be charged to you in accordance with our current Schedule of Fees.

OVERDRAFT TO LINE OF CREDIT: You understand that if you have a line of credit account in conjunction with your checking account, then you may use that line of credit to fund any overdraft on your checking account including overdrafts caused by any Electronic Check Transactions. You understand that you may not otherwise initiate an Electronic Transaction to overdraw your checking account or your line of credit, if applicable. However, if you do overdraw, you authorize the CU to cover the overdraft on your Checking Account by making a cash advance from your line of credit, if any, or withdraw funds from your Savings account(s) or make a withdrawal from other accounts on which you are a joint owner.

Overdrafts which cannot be honored are payable on demand and may result in termination of your account(s).

REMOTELY-CREATED CHECKS

For purposes of this Disclosure, the term "remotely-created check" (or RCC) means a check that is not created by the paying bank and that does not bear a signature applied, or purported to be applied, by the person on whose account the check is drawn.

If the Electronic Check transaction involves a remotely-created check the CU reserves the right to accept or reject the item for deposit into any of your accounts. If you deposit a remotely-created check into any of your accounts, you represent and warrant to the CU that you have instituted procedures to ensure that these drafts are authorized by the person on whose account the remotely-created check is drawn in the amount stated on the check and to the payee stated on the check. If a remotely-created check which you have deposited into your account is returned by the drawee-payor bank for any reason, you agree that the CU may debit (withdraw from) your account for the amount of the item, plus any applicable fees. If the withdrawal causes your account to be overdrawn, you agree to pay the overdrawn amount on our demand.

CHECK TRANSACTIONS EXEMPT FROM REGULATION E: The rules in this Disclosure apply unless the agreement you make with the merchant expressly states that all payments will be made by check, draft, or a similar paper instrument, or specifically identifies payments that will be made by check, draft, or similar paper instruments.

ACH AND WIRE TRANSFERS

ACH and wire transfers you instruct us to make on your behalf are subject to state, federal and other applicable laws including but not limited to Uniform Commercial Code (California and Florida) - Funds Transfers and Regulation J. If you originate a funds transfer for which Fedwire is used, and you identify by name and number a beneficiary financial institution, and intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by Automated Clearing House Rules. The Rules provide, among other things that payment made to you, or originated by you, are provisional until final settlement is made through the Federal Reserve Bank or payment is otherwise as provided in the

Uniform Commercial Code (California and Florida). If we do not receive such payment made to you, or originated by you, we are entitled to a refund from you in the amount of the provisional credit applied to your account, and the originator will not be considered to have paid the amount of the credit given to you. If we receive a credit to an account you have with us by Fedwire or ACH, we are not required to give you any notice of the payment order or credit. All other terms and disclosures for ACH Origination service are contained in the ACH Origination Agreement as applicable to Electronic Fund Transfer services and are by this reference incorporated into this Disclosure in its entirety.

Not all types of accounts are eligible for ACH transfers. You may be subject to penalties by the other financial institution, or may suffer negative tax consequences, for certain transactions involving retirement (401k, IRA, etc.), savings, trusts, loans, custodial, business, corporate and other types of accounts. It is your responsibility to verify with the external financial institution any restrictions regarding transfers to or from any External Account that you enroll. The Credit Union is not responsible for direct, indirect, special or consequential costs, fees, losses, penalties, or other damages resulting from External Transfers that are not permitted under restrictions of other financial institutions or those imposed by applicable laws and regulations. The Credit Union may or may not validate any External Account number provided in the enrollment process. An "External Account" is a checking or savings account at another financial institution. It is your responsibility to ensure you enter in a valid and correct External Account number. External Transfers sent to invalid or incorrect account numbers may not be recoverable. If you provide an invalid or incorrect External Account number, the Credit Union will NOT be responsible for returning funds due to an unrecoverable External Transfer.

Transfers to or from External Accounts may take between one and three business days to settle. This means immediate transfers may take up to three days before funds have actually transferred. This also means that scheduled transfers, both one-time and recurring, may also settle one to three days after the scheduled date.

You may have an option with your ACH originating financial institution to send same-day ACH transactions from External Accounts to us. If same day ACH transactions are offered by your ACH originating financial institution and you select to send same-day ACH transactions to us, we will receive same-day ACH payments (credits/debits) from your originating financial institution. We will make funds available from same day ACH credits to you and/or will withdraw same day ACH debits from your account by the end of our processing day unless it is received by us after the deadline for same-day submission, is for an amount greater than \$25,000, or is a foreign ACH transaction.

LIMITATIONS ON DOLLAR AMOUNTS OF TRANSACTIONS: Generally, you may make ACH Transactions only to the extent that you have available funds in your Account. For security purposes, the Credit Union establishes limits on the amount of funds transfers that can be made per transaction. External Transfers (incoming and outgoing) are limited to \$5,000 per transaction; within a single account and cross-account limits of \$10,000 per transaction and a 30-Day aggregate limit of \$15,000 for External Transfers (separate totals from incoming and outgoing) from your Eligible Accounts.

IN CASE OF STATEMENT ERRORS OR QUESTIONS ABOUT ELECTRONIC FUND TRANSFERS:

Contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You must tell us no later than sixty (60) days after the FIRST statement is sent to you on which the problem or error appeared (time period for checks: thirty (30) days).

Telephone us at 800.948.6677, e-mail us by logging on to Partners Online Banking by selecting the "Member Service" tab then clicking on "Messages", email us by logging on to Partners Mobile Banking and selecting "Messages" from the menu, or write us at P.O. Box 10000, Lake Buena Vista, FL 32830.

1. Tell us the name and account number.
2. Describe the error or transaction you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will tell you the results of our investigation within ten (10) business days after we hear from you (or within twenty (20) business days, in the case of a claim made within 30 calendar days after an account is opened ("New Account")) and will correct any error promptly. If we need more time, however, we may take forty-five (45) days to investigate your complaint or question (or ninety (90) days in the case of a point of sale transaction, claim made within 30 calendar days after an account is opened or a transaction initiated outside of the United States).

If we decide to do this, we will re-credit your Account within ten (10) business days (twenty (20) business days for New Accounts) for the amount you think is in error, so that you will have use of the money, during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do NOT receive your complaint or question within ten (10) business days, we may not re-credit your Account. If we decide there was no error, we will send you a written explanation within three (3) business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

DISCLOSURE OF YOUR LIABILITY FOR UNAUTHORIZED TRANSACTIONS: Tell us AT ONCE if you believe your checks, ATM or Debit/Check Card or PIN (collectively "check(s), Card(s) and/or PIN(s)") has been lost, stolen or discovered by an unauthorized person, if you believe that someone may have used your Card or PIN without your permission or if you believe that an electronic fund transfer has been made without your permission using information from your check.

Telephoning is the best way of keeping your possible losses down. A written notification from you should follow your telephone call. You could lose all of the money in your designated account(s), plus funds in your other accounts and your maximum overdraft line of credit, if applicable.

However, if you believe your check(s) (in an Electronic Check Transaction) and/or, Card(s) or PIN(s) has been lost or stolen, and you tell us within two (2) business days after you learn of the loss or theft, you can lose no more than \$50.00 if someone used your check(s) (in an Electronic Check Transaction), and/or your Card(s) and/or PIN(s) without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your check(s) (in an Electronic Check Transaction) and/or Card(s) or PIN(s) and we can prove that we could have stopped someone from using your check(s) (in an Electronic Check Transaction) and/or Card(s) or PIN(s) without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transactions that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was delivered to you, you may not get back any money you lost after the sixty (60), if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time periods. If you authorize someone else to use your Card and PIN, you are responsible for all transactions which that person initiates at any time, even if the amount of the transaction(s) exceeds what you authorize.

Please refer to the "Important Notice" below for your liability for unauthorized use of your Card when it is used as a VISA®.

If you do not have overdraft privileges, the Credit Union may deduct the amount of any overdraft on your account from any other accounts you have with the Credit Union, except an IRA.

CREDIT UNION LIABILITY FOR FAILURE TO COMPLETE TRANSACTIONS: If we do not properly complete a transfer to or from your account(s) on time or in the correct amount according to our agreement, we will be liable for your losses and damages. However, there are some exceptions.

We will not be liable, for instance:

1. If through no fault of ours, your account(s) does not contain enough available money (or sufficient collected funds) to complete the transaction.
